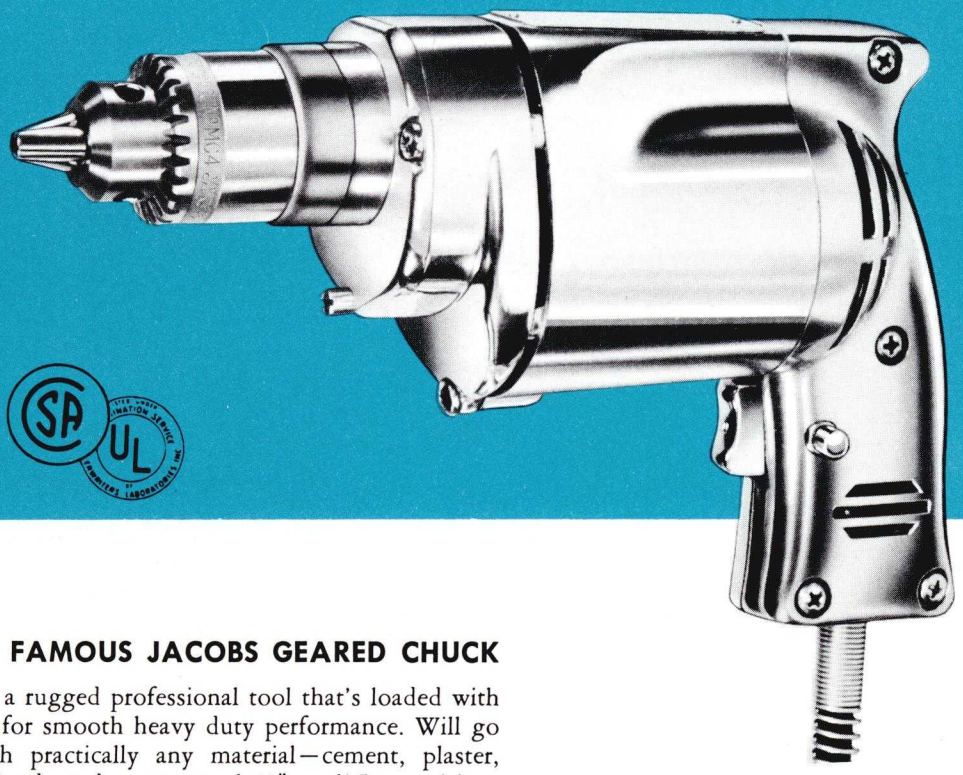
Duwel®

3/8" Power Drill



WITH FAMOUS JACOBS GEARED CHUCK

Here's a rugged professional tool that's loaded with power for smooth heavy duty performance. Will go through practically any material—cement, plaster, brick, hardwood—even tough 3/8" steel! Its precision-built, dynamically balanced motor is cool running, trouble-free and stall-proof—makes this DuWel Drill a tool you can really depend on to get every job done with a minimum of effort. Has a convenient pistol grip for easy handling, ball-thrust bearings, die-cast aluminum housing, micro-machined alloy gears, and sparkling mirror finish. Can also be used with standard attachments for buffing, polishing, grinding, sanding, etc.
